WORSHIP IN THE SECRET

When no one is watching or applauding,
may our worship not grow cold.

In washing the dishes,
opening the Scriptures,
watering the plants,
buying groceries,
and preparing for the day ahead,
may we remember that every ordinary
moment can become an offering of love to
Christ.

May we treasure the hidden life of worship,
living with an awareness of His presence
and content to be seen by the One who truly
matters,
our Lord and Saviour, Jesus Christ.

"And whatever you do, do it heartily, as to the Lord and not to men."
Colossians 3:23 NKJV
